Featuring Copperfit Industries, showcasing their products, promotions, and technical resources.

FEATURED MANUFACTURER Copperfit Industries

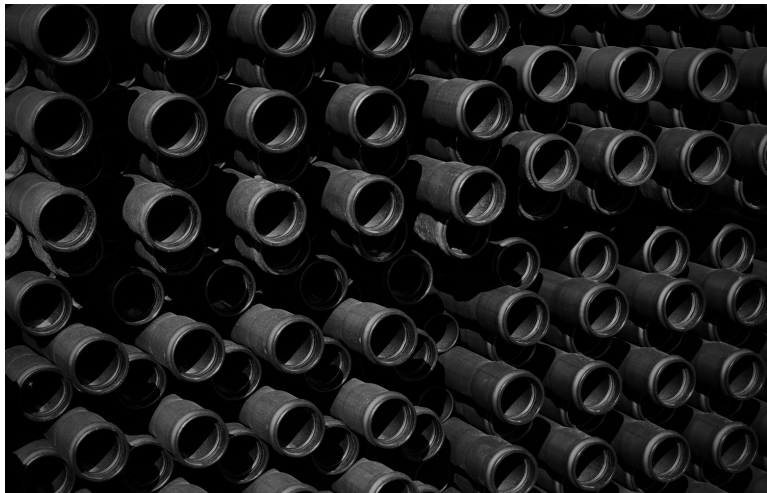

This month, Jensen Sales & Marketing is proud to feature Copperfit Industries, a trusted manufacturer of quality plumbing products since 1999. Explore their product lines, current promotions, and technical resources throughout this newsletter.

WHY COPPERFIT?

**Quality Products.
Trusted Partnership.**

Copperfit continues to expand its product while maintaining the quality and reliability customers expect. Their extensive selection allows contractors and wholesalers to source a wide range of plumbing products from one trusted manufacturer. Through our partnership with Copperfit, Jensen Sales & Marketing is proud to connect with dependable products backed by responsive service and technical support.

COMPLETE PLUMBING SOLUTIONS

Copperfit offers a broad range of plumbing products designed for residential, commercial, and industrial applications. From press systems and copper fittings to valves, PEX products, poly gas systems, and accessories their comprehensive product offering helps simplify sourcing for plumbing professionals.
